**MASSIMA
VERSATILITÀ
DI UTILIZZO**

Progettualità, esperienza, unicità. Ogni irregolarità diventa unica, ogni differenza diventa protagonista, ogni pezzo è diverso dagli altri per grafica e tono di colore, Carrière du kronos con un'ampia scelta di formati, spessori, bordi, superfici, finiture e texture permette di realizzare spazi veramente personalizzati. Sviluppando il concetto di fatto "su misura" kronos offre anche la possibilità di completare i progetti con bordi piscina, gradini, lavabi, mensole e altri pezzi speciali creati ad hoc.

**MAXIMUM
VERSATILITY**

Forward thinking, experience, unique appeal. Every uneven detail becomes a unique character, every difference has a key role to play, every piece is different from the others in terms of pattern and nuance. With a wide choice of sizes, thicknesses, edges, surfaces, finishes and textures, Carrière du kronos offers the opportunity to create living spaces with a truly personal touch. Developing the "made by bespoke" concept, kronos also offers the chance to complete projects with pool edges, steps, wash basins, shelves, and other special pieces.

**EXCELLENTE
VERSATILITE
D'UTILISATION**

Conceptualité, expérience, unicité. Chaque irrégularité devient unique, chaque différence devient protagoniste, chaque pièce est différente des autres en raison de son graphisme et de sa tonalité de couleur, Carrière du kronos, avec son vaste choix des formats, d'épaisseurs, des bords, des surfaces, des finitions et de textures, permet de réaliser des espaces vraiment personnalisés. En développant le concept de fait "sur mesure", kronos offre aussi la possibilité de compléter ses projets par des bords de piscine, des marches, des lavabos, des étagères et d'autres pièces spéciales créées selon la spécificité du projet.

**AUSGEZEICHNETE
VIELSEITIGKEIT IN DER
ANWENDUNG**

Kreativität, Erfahrung, Einzigartigkeit. Jede Unregelmäßigkeit wird zu etwas Besonderem, jeder Unterschied rückt in den Mittelpunkt, jedes Teil unterscheidet sich durch grafische Gestaltung und Farbton. Carrière du Kronos bietet eine große Auswahl an Formaten, Stärken, Kantenausführungen, Oberflächen, Bearbeitungen und Texturen, um wirklich individuelle Räume zu gestalten. Durch die Weiterentwicklung des Konzepts „Fertigung nach Maß“ bietet Kronos auch die Möglichkeit Schwimmbadränder, Stufen, Waschtische, Regale und andere Formteile auf Mass zu gestalten.
