SARTORIA[®] est. 2018

2018: Sartoria is created, combining the knowledge with the understanding of modern ceramic history. A tailored project for all those who love interior design, small sizes, colour and decoration. From these four elements a new chapter within Terratinta Group is born, aiming to create a new style that can be exported all over the world.

Just like the detailed and creative creations of a tailor, Sartoria designs and fulfils distinguished ideas, giving new life to the craftsmanship of the small ceramic size. From white-body walls to gres porcelain tiles, different options designed for small and wide spaces: a unique, contrasting design, a choice between styles, a choice of style.

Dall'esperienza di una storia ceramica recente senza precedenti, nel 2018 nasce Sartoria. Un progetto su misura per chi ama l'interior design, il piccolo formato, il colore e la decorazione. Da questi quattro elementi nasce un nuovo capitolo all'interno di Terratinta Group, con l'obiettivo di creare un nuovo stile esportabile in tutto il mondo. Così come le creazioni di un sarto, meticolose e creative, Sartoria disegna e realizza grandi idee, dando nuova vita all'artigianalità del piccolo formato ceramico. Dal rivestimento in pasta bianca al porcellanato, diverse combinazioni pensate per piccoli e grandi spazi: un design unico, contrastante, una scelta di stili e di stile.

THE FUTURE THROUGH PAST LENSES

Welcome to the enchanting universe of Pop, a collection of white body ceramic tiles that embraces the past with a gaze towards the future. Immersed in the nostalgia and elegance of the Seventies, this collection pays tribute to the timeless charm of that vibrant decade. Its carefully crafted forms unfold in two captivating sizes: a rectangular strip 6.2x25 cm and a square 10x10 cm, both available in “flat” and “three-dimensional” finishes. This duality offers the opportunity to create unique spaces, playing with textures and geometries in a versatile and innovative manner. The glossy finish imparts an extraordinary brilliance to each piece, turning Pop ceramics into a living canvas that captures and reflects light in a magical way. The result is a timeless vintage effect, a homage to the 70s reinterpreted in a modern key. The color palette is a celebration of versatility, with 9 hues ranging from pastel tones like Latte, Verde Acqua, and Rosa Antico to neutral tones such as Perla and Blu Avio, and bold accents of Ocra, Terra, Muschio, and Nero.

IL FUTURO ATTRAVERSO LE LENTI DEL PASSATO

Benvenuti nell'incantevole universo di Pop, una collezione di ceramica in pasta bianca che abbraccia il passato con uno sguardo al futuro. Immersa nella nostalgia e nell'eleganza degli anni Settanta, questa collezione è un tributo al fascino senza tempo di quel decennio vibrante. Le sue forme, studiate con cura, si manifestano in due dimensioni affascinanti: un listello rettangolare 6,2x25 cm e un quadrato 10x10 cm, entrambi disponibili nelle finiture “flat” e “tridimensionale”. Questa dualità offre la possibilità di creare spazi unici, giocando con le texture e le geometrie in modo versatile e innovativo. La finitura lucida conferisce a ogni pezzo una lucentezza straordinaria, rendendo la ceramica Pop una tela vivente che cattura e riflette la luce in modo magico. Il risultato è un effetto vintage senza tempo, un omaggio agli anni 70 reinterpretato in chiave moderna. La palette di colori è una celebrazione della versatilità, con 9 nuance che spaziano dai toni pastello come il Latte, il Verde Acqua e il Rosa Antico, a quelli neutri come Perla e Blu Avio, fino agli accenti saturi di Ocra, Terra, Muschio e Nero.
