

## LACQUERED LIGHT BRONZE

Varnished Bronze, typical of Roccoco or Empire-period tap fittings, is evocative of a previous era, creating an authentic and refined atmosphere in the bathroom or kitchen. This finish is a popular choice for transitional styles, or encouraging imaginative designs which transcend lines for modern or industrial-style tap fittings.

Reference: D01

### CHARACTERISTICS

Varnished Bronze appearance achieved by applying a brushed patina to brass. The finish is coated with a shiny polyester lacquer. This delicate coating requires conscientious care in order to preserve its original appearance.

### ADVICE

Ease of cleaning: Good  
Corrosion resistance: Good  
Scratch resistance: Average  
Resistance to cleaning products: Good
